The Bungalow

One of our most versatile play buildings, featuring two compartments allowing the children to have a storage area and an area to play! Available with or without the 2' Verandah and also a bunk and stairs can be added in as well as an optional extra!

The Playden

Constructed in Log Lap cladding as standard, the Playden boasts a loft space with a ladder, a stable door and a 2' verandah. This is a very popular model, especially with the slightly older little customers!

Children's play houses

The Play House

The Play House is the perfect little hide away for your little ones to play. Featuring a 2' Verandah, stable door and Perspex Georgian windows, comes as standard in our Tongued and Grooved cladding.

The Play Barn

Constructed in the popular shape of the Dutch barn and featuring our Tongued and Grooved board. Consisting of a stable door and three Georgian style windows, internally the Play barn has lots of offer, featuring a loft and ladder for many hours of fun!

Wendy House

Our smallest play building, perfect for slightly more space limited areas, but the size doesn't impact on the fun to be had and is still very popular is the younger children.
